MISSION STATEMENT:

Our mission is to unite our stakeholders in an effort to efficiently educate our students morally, emotionally, and socially by making them citizens of character with excellent leadership skills and academic achievements.

IMAGINE:

**Imagine** a place where every voice is heard, where everyone shares common goals for student achievement and success.

**Imagine** a place where students and teachers strive to grow in character and to live under shared values of integrity, justice, and fun.

**Imagine** a place where everyone works to steward the school's resources and live within our financial means.

**Imagine** a place where students, parents, teachers, and school leaders work together to achieve these goals.

*We Imagine Living, Learning, and Growing Together.*

Imagine joining us on this journey....

*Learning Communities of Achievement and Hope*

*IMAGINE SCHOOLS'  
STANDARDS-BASED  
CURRICULUM*

At Imagine Schools, we have developed a curriculum that guides teachers and students toward the high level of learning expected in today's world.

- ◆ Learner Centered Results
- ◆ Interdisciplinary Thematic Units
- ◆ Authentic and Challenging Materials and Activities
- ◆ Critical Thinking and Creative Problem Solving
- ◆ Technology as a Learning and Presentation Tool
- ◆ A Hands-on, Minds-on Approach to Learning
- ◆ Personal and Global Perspectives
- ◆ Reflection and Exchange of Ideas
- ◆ Standards-Based
- ◆ Subject Area Specialists in the intermediate and middle school grades
- ◆ Vertical Teaming for a seamless transition from grade to grade
- ◆ Continuous Improvement Model striving for continuous excellence

Welcome to  
Imagine Charter  
School at North Lauderdale

**SCHOOL HOURS:** 8:30 a.m. to 3:15 p.m.

**Differentiated Instruction:** teaching students where they are and challenging them to make learning gains.

**Hands On Learning Activities:** focusing on individual student's learning styles.

**Extended School Day:** our longer school day allows us to provide increased learning opportunities.

**After School Programs and Activities:** help build confidence and talents to nurture the creative side in all students.

**ENRICHMENTS:**

**Elementary School Art:** Observe and create works of art using sensory qualities, organizational principles and expressive features.

**Technology:** Use tools and techniques to produce publications and other creative works, access information and communicate effectively

**Physical Education:** Includes physical activities and sports while providing fun and recreation, teaching sportsmanship, cooperation, team play and building character.

**Media/Information Literacy:** Provides opportunities to access, use and evaluate information critically and competently through research, while also promoting recreation reading and author and genre studies.

**Character Education:** Integrated program which instills caring for others in our learning community, society and the world.

**Middle School Spanish:** Instruction in conversational and formal Spanish as well as the cultural backgrounds within the language allow students to receive High School credit and improve their cultural diversity.

**Middle School Algebra:** Instruction in higher level math skills that gives students strategies on how to use math in real world situations while earning High School credit.

**Middle School Drama/Chorus:** Historical facts and practical skills teach students how to perform their best as they put on an array of productions inside and outside the school.
